Why I studied the Master Degree in Animal Law and Society:

I was interested in studying in the Masters Programme to continue to help animals more effectively. I think that it is very important for activists who defend animals to have excellent training.

Education:

Degree in History, Universitat Autònoma de Barcelona (2004)

Courses:

Internship Programme at People for The Ethical Treatment of Animals, Norfolk, VA., USA. (2005).

Work experience:

Marketing Coordinator at Schoeller Arca Systems, 2006.

Management Assistant at BOMA, S.L.P. (2009).

Manager at Ecocentre

Current activities:

Volunteer Council at Societat Protectora d'Animals de Mataró (SPAM, Animal Protection Society of Mataró).
